Premier Solutions Co. Awarded KVM Agreement with Los Angeles County

Fountain Valley, CA, June 25, 2004– Premier Solutions Co., a Fountain Valley-based distributor of Information Technology (IT) products, was awarded a project by Los Angeles County Department of Children and Family Services (DCFS) to supply and install remote KVM /PDU units within 40 distributed sites.

“The integration of KVM (Keyboard, video/Mouse emulation) and power management over IP allows 24/7remote access. This allows DCFS to realize a significant cost savings in maintaining their distributed locations spread throughout the vast boundaries of LA county” stated Bill Montgomery, Founder of Premier Solutions Co. “this truly is a “Lights out” solution for DCFS
